

DURA GLIDE

Swivel Mechanism

Gliding motion with swivel action.

Dura Glide is an all-steel base that offers greater stability in all positions. It features a unique, parallel gliding motion that is similar to a porch glider, and provides precision-balanced linkage and smooth, effortless gliding.

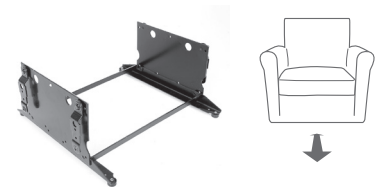

Swivel Glider

Part Number	Mounting Dimensions	Swivel Size	Ring Base
18413702XX	8-1/4" side-to-side • 5-3/4" front-to-rear	6-3/4"	not included
