Heavy-duty construction for superior performance.

The Patient's Choice Healthcare Mechanism Line, available for treatment chairs, rockers, and Wall Hugger furniture, offers geometrically balanced mechanisms to allow the occupant's weight to balance operation instead of springs. Its wide heavy-gauge links are designed for safety without pinch points.

Rocker option – #4154
No Trendelenburg option

Wall Hugger® option – #4304/8652
No Trendelenburg option
