-  2"- 6" LEG HEIGHTS
-  FASTER ENGAGING
-  350 lbs WEIGHT CAPACITY
-  30° BACK INCLINE
-  HEADREST OPTIONS AVAILABLE

Taking wall clearance to the next level.

The Suprema® Pro Variable Pitch is a breakthrough in off-the-floor power mechanisms, inspired by the same features found in luxury automobiles. The variable pitch position allows the occupant to tilt the seat and backrest as much as eight degrees if desired, while the full-recline position offers a near-flat layout. All this combined with closer wall proximity while reducing the gap between the lumbar pillow and seat cushion in full recline.

SEAT CUSHION WIDTH REFERENCE CHART		
ORDERING DASH	SEAT CUSHION WIDTH	
	INCHES	METRIC
1	20.25	514,40
2	21.25	539,80
